

Choosing childcare is no easy decision because as parents, we don't ever want to compromise on quality, flexibility and trust when finding care for the most important people in the world. Hosting a Cultural Care au pair gives many families in Minnesota those very important benefits, and more! We invite you to learn more about who our au pairs are, what they do, and how hosting an au pair can help you pursue your personal and professional goals.

What is an Au Pair?

A young adult between 18-26 years old from overseas who lives with your family.

They can provide up to 45 hours of childcare per week on a customized schedule you decide!

Au pairs are here for 1-2 years on a J-1 Cultural Exchange Visa.

How can an Au Pair help your family?

Become a life-long family member.

Plan kids activities.

Drop offs and pick-ups.

Help on sick and snow days.

Provide cultural exchange.

Kid-related chores including meal-prep and laundry.
